

NEW SCHOOL PSYCHOLOGIST MENTORING PROGRAM

Mentor Formative Observation 1: Professional Practice and Delivery of Service

As you observe the school psychologist, remember that you are collecting only what is seen and heard during the specified period of time. You will provide one copy of your notes to the new school psychologist and keep one copy as a reference for your observation conference.

- A. Creating an Environment to Support Student or Client Needs

- B. Demonstrating Flexibility and Responsiveness

- C. Communicating Clearly and Accurately

- D. Delivery of Services to Students or Clients
